Dear presidential candidates,

Immigration is certainly a political, social and economic issue, but it is also a deeply biblical one. While the Scriptures do not provide a specific policy prescription, as Christians for whom God's Word is our highest authority, we believe that biblical principles can and should guide both how we interact with our immigrant neighbors and how we approach immigration policy. We hope you will consider this biblical wisdom as well.

The ["I Was a Stranger" Challenge](#) is a 40-day Scripture-reading guide composed of short Bible passages that relate in one way or another to the theme of immigration. The challenge is simple: would you commit to reading one verse each day over the next forty days and prayerfully ask God to give you His heart?

Respectfully,
Evangelical Leaders and Constituents
